RELEASING & REDACTING LAW ENFORCEMENT RECORDS

In this class, you will learn how to identify and redact information from police reports, audio, video, juvenile, traffic records, personnel records, and internal affairs records following state law. You will also learn which exemptions may apply beyond the closure of a case, and your state's requirements for managing requests for records including time requirements, acceptable request methods, fees, and best practices for protecting the interests of both the requester and your agency.

DATE: February 29 , 2024 | 8am-12pm (PST)
LOCATION: Online session
ATTENDEES: LEIRA members only exclusive course.

PROPERTY & EVIDENCE AND DIGITAL EVIDENCE MANAGEMENT

In this class you will learn about effective management of property and evidence operations and related records to help ensure compliance and lower risk and liability. Additionally, you will learn best practices for the creation, collection, management, and destruction of digital evidence. Learn about the importance of case management and disposition in the retention of digital evidence, including auditing and mitigating against lost files. Understand the relationship between evidence and records, and how something can be both.

TOPICS INCLUDE:

- Audits and inventories
- Chain of custody
- Use of technology
- Maintaining proper records
- Disposing of evidence
- Managing evidentiary records such as Ring video and other citizen videos
- Managing law enforcement body-worn and dash-camera video
- Crime scene photos
- Documents such as evidentiary records and where they should be stored
